

Welcome to IWSC's snowshoe trails! They are fairly new to the facility and it continues to be a work in progress.

Snowshoe guidelines

- 1) A \$5 day pass is required if you are not a member
- 2) Please register in the chalet
- 3) Please do not veer from marked trails
- 4) Please do not "shoe" down any of the groomed ski trails or in the ski jumping bowl
- 5) You can begin at one of the three entrances to the trail. One begins behind the garage, one behind the chalet and the other begins at the west end of the parking lot (you will see the trail enter the pine trees near the semi-trailer).
- 6) The east end of the trail is very hilly whereas the west end is quite flat.
