

We'd have room to print instructions here by moving the table down just a bit, and we could then provide a space for special instructions at the bottom. This could possibly just be a pop-up form, probably in JPG format, so not a problem for people who can't view PDFs ... could do PDF, too!

Number of kits: ___ x \$107 = \$ _____

*Add \$5 for handling on single-kit order ... total \$112.00
>>> prices do not include shipping <<<*
